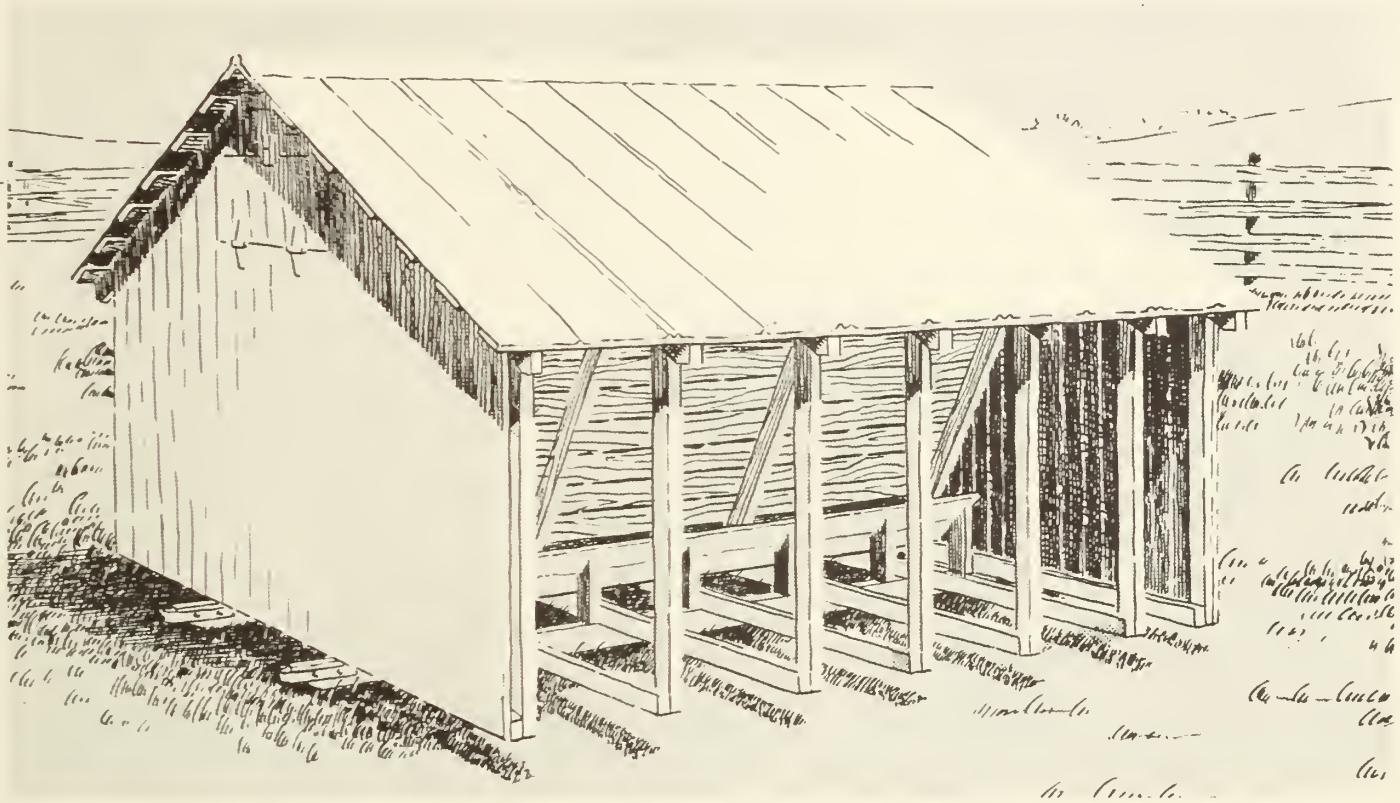
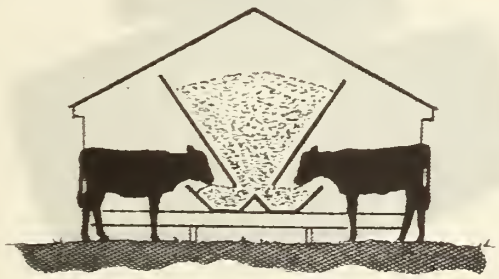
MOVABLE CALF CREEP FEEDER

FARM BUILDING
PLAN NO. 5768
(1 SHEET)



50 bushel capacity --- for 40 to 50 calves

This skid-mounted creep feeder is designed to keep larger animals away from the feed. The vertical bars eliminate the need for a fenced enclosure.



Cross Section

A more complete plan may be obtained through your county agent or from the Extension agricultural engineer at most State agricultural colleges. There is usually a small charge.

ORDER PLAN NO. 5768, MOVABLE CALF CREEP FEEDER

If working drawings of this plan are not available in your State, write to the U. S. Department of Agriculture, Agricultural Engineering Research Division, Plant Industry Station, Beltsville, Md. The U. S. Department of Agriculture does not distribute drawings, but will direct you to a State that does distribute them.
